

# Aussie could give your club a \$100 helping hand

At Aussie we value the importance of promoting children's sport and wellbeing. So we're doing our bit to help the game at its grassroots by making a special offer to all those who play a part in junior sport.

Let us help you find a better deal on your home loan and we'll support your junior club with \$100.

Whether you're buying your first home, looking to invest or want to save money by refinancing, an Aussie Broker will search hundreds of loans from 16 lenders, including the major banks to show you the top ranked loans to suit your circumstances. And all within minutes.

**Attend an appointment with an Aussie Broker and we'll give your junior club \$100.**
